Assess your score

ROLE
READY

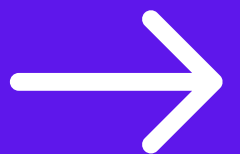

Total your score and compare it to the ranges below. How did you do?

13 - 15: Excellent! You are thriving. Your career includes multiple key attributes that support your engagement at work.

9 - 12: You are doing okay, but there are areas that might need attention. Review your lowest-scoring categories for improvement opportunities.

5 - 8: You are experiencing some challenges. It is important to evaluate the areas where you scored lower and consider taking steps to address them.

0 - 4: Significant changes may be needed. It is time to reflect on what is not working and explore ways to find greater satisfaction in your career.
